

Summer Camp Sliding Scale

Your tuition is based on your family's Adjusted Gross Income. For people who make less than 100K per year, we require proof of your Adjusted Gross Income by providing a copy of your taxes, a pay-check stub, or other proof of income. A two parent household must provide income documentation from both parties. Your income places you into one of our income brackets. Then you pick either the starting rate, middle rate, or top rate as your **weekly** tuition based on your budget. Please let us know if you need any additional tuition arrangements.
